PEACHY KEEN

Peach and cream with hints of blush and pink have no short color beauty here! We love the touches of light blue and lavender options also. It's so romantic and beachy. With lots of dahlias, Cafe-au-lait dahlias, ranunculus, sweet pea, and a bit of tweedia, this wedding is absolutely stunning.

STRAWBERRY FIELDS

This slightly monochromatic shades of strawberry pinks and light pink are so pretty if you want a pop of color in your wedding flower arrangements. If it's a bit too strong for your ceremony, you can go with the lighter shades and incorporate the brighter colors into your reception tables for a fun yet elegant look.
